- Adherence to job training principles such as the importance of showing up on time, properly dressed, with an attitude of service, and other characteristics exhibited by good employees.

Guidelines for Christian Community

- Students will be respectful, encouraging, and will maintain a positive attitude towards others at all times, recognizing Christ's presence in each other
- Students will avoid the use of foul language, cursing, or any speech (including "humor" which puts down, makes fun of, or stereotypes other persons or groups)
- Students will give all instructors and speakers their full attention. There will be no talking or other disruptions (being on your phone, chatting, etc) while others have the floor.

Safety Guidelines

- No running on the airport ramp
- No unescorted walking on the ramp without the permission of your flight instructor
- Never touch any aircraft other than the one you have permission to fly
- Never walk through a prop arc or under a rotor; Stay away from the tail of a helicopter
- Never pull or try to move a propeller – it may start on you!
- Do not rely on your hearing. Airports are noisy. Always look where you are going
- Airplanes have the right of way, not pedestrians!
- Adherence to the above rules will keep you safe. Violating them can get you hurt or killed. Also, it is a quick way to end your flightlesson!
- Be Safe, Fly Safe, Don't Cross the Stupid Line!
